LATEST NEWS FROM STEEL CENTERS.

Homestead, Pa., July 17.—[Special.]—The strike this week is to a most interesting crisis on both sides. The workmen looked for more reinforcements of the sheriff and were on hand to watch for possible strikers from showing a new report "Marshal." Some there are anticipated for the morrow, especially as Sheriff McCandless says he will guarantee action on all sides. It is said here tonight that the managers' committee will suspend until Monday, when they will meet the men looking to use of Carnegie's Pittsburg mills. The association claims that although the workmen have with them, and may for some of contracts will not be a great deal of trouble. The danger of the situation tonight is said to be in the Homestead workmen. The large number of non-union men employed in Carnegie, Phipps & Co.'s Homestead Works may be brought on [illegible] this morning, when the men from Pittsburgh will be on hand. The strikers seem to care of guard. The workmen claim to have Pinkerton men here at their own expense. Chief Hays and Sheriff McCandless have been at their posts all day.

The Hale Steamer is still discussed about the Chicago councilmen for not voting for the Lakeside ordinance. It is apparently the opinion of the Hale that the Lakeside subsidy was larger than the $25,000 or $30,000 which was offered for any of the routes; so no bidder came to the proper conference table, and now, assuming that the Lakeside is dead, the Hale proposes to get a subsidy of $50,000 or $60,000 for the Hale. However, the councilmen have fortunately, and, if we have much to say, permanently, declined to be bulldozed.

The conditions of affairs among the politicians and other managers in Brazil is decidedly amusing reading. The minister of communications is trying to get the consent of servants who live half a week in the country to live all the time in the city. PERFUME OF WOOD VIOLETS.

This exquisite perfume is made from the true violets. In the past the high price of the genuine violet perfume has prevented many from indulging in this luxury, but the price of this article makes it a necessity to those who love the flower. The commissions of the many imitations of violet water and extracts should not prevent all lovers of violets from trying this delicious perfume.

WINTER WHEAT HARVEST

QUEEN OUGHTABE'S GROW THE KANSAS CROP ALREADY GARN.

Harvest Report from Sixteen Ohio Counties—The Movement in Kentucky—Will Be Shortened—Spring Wheat Prospects—Corn Reports—Cotton Crop—Fruit—Tobacco—The Harvest in Minnesota, Dakota, Oregon.

Another week of hot, burning weather has advanced the harvest but an the northward in Michigan, and although a large proportion of that wheat is yet green, some forecasts in that State underestimate the amount the present week. Generally the wheat already in well and the prospects for a good crop are much better than they were one week ago.

The latest crops which have reported as yet generally are not about to have the usual worth. Many of the most recent letters comment on the fact that the heavy rains of August 1 and 2 have done much damage to the corn crop, and that the quality of the wheat will be much inferior. Some of the reports from Illinois and Indiana are to the effect that the corn crop will be much shorter than was expected. In the Southern counties of this State and in Kentucky and Tennessee the corn will be a full crop, and the yield in the bounds of Kentucky will be a record-breaker. In some localities in Southern Illinois, where the conditions in general are very good, and in the counties of Jackson, Union, Alexander, Pulaski, Massac, Johnson, Pope, Hardin, Gallatin, Saline, Williamson, Franklin, Jefferson, Wayne, Clay, Edwards, Wabash, Lawrence, Richland, Clark, Crawford, Jasper, Effingham, Fayette, Marion, Clinton, Washington, Perry, Randolph, Monroe, St. Clair, Madison, Bond, Clay, Fayette, Effingham, Jasper, Crawford, Lawrence, Richland, Clark, Cumberland, Clay, Wayne, Edwards, Wabash, Hamilton, White, Gallatin, Saline, Williamson, Franklin, Jefferson, Perry, Randolph, Monroe, St. Clair, Madison, Bond, Clinton, Washington, Marion
